

The Life and Ministry of Jesus

Lesson 7 Assignment

In this lesson, we have seen how Jesus loved. This assignment asks you to find ways in which you can follow the example of Jesus in loving your neighbor. It should not take long to do the assignment; it may take much longer to put it in practice! Don't fail to put it into practice. We are called to love as Jesus loved.

In column 1, give a specific example from the Gospels of Jesus' love for people.

In column 2, give a specific application to your life. How will you follow Jesus' example? This assignment is for you; be as specific as possible.
